VA HEALTH CARE | Defining EXCELLENCE in the 21st Century

Carl Vinson VA Medical Center Dublin, Georgia

About Dublin VA
Since 1948, Carl Vinson VA Medical Center has been improving the health of the men and women who have so proudly served our nation. We consider it our privilege to serve your health care needs in any way we can. Services are available to Veterans living in the Middle Georgia area.

About Carl Vinson
Carl Vinson (November 18, 1883 - June 1, 1981) represented Georgia for more than 50 years as a member of the United States House of Representatives. Known widely as "The Father of the Two-Ocean Navy," he was born in Baldwin County, Georgia attending Georgia Military College and graduating from Mercer University in 1902 with a degree in law. While in the House of Representatives, Vinson served with distinction as a member of the House Naval Affairs Committee and subsequently the House of Armed Services Committee. In 1964, President Lyndon Johnson awarded Vinson the Presidential Medal of Freedom with Special Distinction which is the highest award a president can bestow upon a civilian. Carl Vinson had no children, however, his grandnephew, Sam Nunn of Perry, GA, served nearly a quarter century in the United States Senate. Prior to his death, he became the first living American to have a ship named after him, the aircraft carrier USS Carl Vinson (CVN 70).

Locations
The Carl Vinson VA Medical Center (CVVAMC) serves Veterans in middle and southeast Georgia. In addition to our main medical center in Dublin, GA we offer a number of services to our patients in five community-based outpatient clinics (CBOCs): Albany, Brunswick, Macon, Perry and Milledgeville.

Waiting Areas
For your convenience and safety, we have special waiting areas throughout the facility. You may also want to review our Visiting Hours and Policies. We have volunteers who work in the Intensive Care waiting areas at specific times. Please check in, and give the volunteer the patient's name. If you leave the waiting area at any time, please let the volunteer know, in case we need to contact you.

Visiting Hours
Because we believe that Veterans and their families are partners in care, we no longer have established visiting hours. Veterans' families and friends are welcome to visit their loved one anytime they wish. For more information on VA's Patient & Family Centered Care (PFCC) initiatives, feel free to contact the PFCC Committee Chair, Frank G. Jordan, Jr., at (478) 272-1210 ext. 5440 or Frank.Jordan@va.gov.

For the health and well-being of a patient, the attending physician may limit, restrict, or deny visitation. We apologize for any inconvenience when this occurs, and appreciate your understanding that it may be medically necessary.
